

Minutes from September 8,2022

Meeting Started at 6:08PM

Present Elizabeth Carney, Edward Carney, Dotti Guiffre, and Craig Sullivan

A progress report on the activities that had transpired in the Roxbury Park during the month of August was presented which included constructing the path and pads for the park. Bricks were ordered for area under the chess set along with three benches and the gazebo. These items are to arrive in late September or early October. Plantings were briefly discussed along with site development and logistics to receive the shrubs from the Pincus flower farm. The need to enlist the help from members of the community was essential and was agreed to be pursued.

Prioritized list of Park Projects to be addressed in September would await the arrival of the materials and installations for the park. An ARPA Funded Grant Proposal was discussed, and it was agreed that Dotti Guiffre would write the proposal with input from Elizabeth Carney, a member of the ARPA Committee.
