

Minutes of Roxbury Park Committee Meeting of August 7,2025

Present: Ed Carney, Craig Sullivan and Dotti Guiffre

Approved minutes of July 16, 2025 meeting

Discussed the Roxbury Village Park mowing problem and approved a request from the Roxbury Selectboard for the Roxbury Park Committee to continue, along with help from volunteers, to mow the park for the remainder of the 2025 season. There is no anticipated cost to the town for this service.

Discussed status of the Roxbury Village Park paving project and the unresolved issues to bring the project into compliance with Roxbury Selectboard-'s stipulations to move forward with the project. Nate Donahue indicated that he would like to confirm the soil profile in the park, the status of the barrier used to separate the stone from the soil and the depth of the paving stone. After these determinations are made, he would provide the park committee with recommendations for remediation of the existing pathway in the park prior to paving it. These recommendations would deal with weeds and any removal of the existing stones and their replacement with new stones. Cost of the remediation and the availability of individuals, including RG paving, to carry out this remediation prior to paving this year have yet to be determined.

Next meeting of the Roxbury Village Park Committee is scheduled for Wednesday August 27,2025 at 1PM at the Roxbury Community Center.
